

## Mr. and Mrs. Bert McGaw Celebrate Silver Wedding

To mark the celebration of their silver wedding anniversary Mr. and Mrs. Bert McGaw were honored on two occasions recently by their relatives and friends.

On Sunday, November 1 they celebrated their anniversary at an informal dinner, attended by the family and relatives. A beautifully decorated three tiered wedding cake graced the table. Mr. and Mrs. McGaw were presented with a lovely eiderdown comforter by these present.

Thursday evening, November 5th, Mr. and Mrs. McGaw were surprised by their neighbors who gathered at their home to commemorate their twenty five years of marriage. A very pleasant evening was spent playing games and reminiscing of the good old days. During the evening Mr. and Mrs. McGaw were presented with a beautiful chest of silver. A lunch was served by the ladies.

"V"

Monday evening the young people of the district gathered at the home of Mr. and Mrs. Bruce Alder in honor of Mr. and Mrs. Kenneth Alder who were recently married. A very pleasant evening was spent in playing games and singing. A presentation of a silex coffee maker was made to Mr. and Mrs. Alder on behalf of their assembled friends by Joe Warren, who, in a few well chosen words welcomed the bride to the district and wished the young couple many years of happiness and health. Ken Alder suitably replied on behalf of his bride and himself.

"V"

## Card of Thanks From the Champion-Carmangay Unit War Finance Committee Executive

"V"

The Executive of the Champion-Carmangay Unit, War Finance Committee wish to convey their sincere thanks to Bond Purchasers, and especially to the Canvassers, who participated in this Third Victory Loan, which was brought to a successful conclusion.

The standing to date is made up by 282 applications, with the grand total of \$65,350.00, which we feel is a great achievement for the Champion-Carmangay District, when you stop to consider the existing conditions.

When your committee was allotted the quota of \$49,000 to raise as our portion of this Third Victory Loan, we wondered if this was at all possible, but the result shows conclusively that Champion and Carmangay are determined to stand by their boys and girls on active service.

Respectfully submitted  
J. D. Hagerman, Chairman  
D. H. Russell, Vice Chairman  
E. H. Griffin, Unit Organizer  
C. Rhodes, Secretary

## CHURCH NOTES

"V"

Service for Remembrance Day will be held in the Community hall at 3 p. m. by Canon Winter on Sunday 15.

Holy communion service will be at 11.20 in Emmanuel church, Carmangay, Sunday, 15th November.

## Weddings

**LEONHARDT-SCHMEELKE**  
The home of Mr. and Mrs. W. O. Schmeelke was the setting for a very pretty wedding Saturday, November 7 at 2.30 p. m. when their younger daughter, Elsie Jean became the bride of Victor Leonhardt, son of Mrs. Marie Leonhardt and the late J. Leonhardt of Drumbeller.

Rev. F. Ulmer performed the ceremony.

The bride, given in marriage by her father, was lovely in a gown of white chiffon over satin. Her net veil hung gracefully to the hem of her skirt. She carried a bouquet of pink carnations.

Miss Mildred Castator, as bridesmaid wore a gown of Heaven blue chiffon over satin and a matching lace cap. She, too, carried pink carnations.

Leith Schmeelke, the bride's brother was best man.

Miss Marion Schmeelke, sister of the bride played the wedding music and during the ceremony Misses Betty and June Ashmore sang "Your's is my Heart Alone."

Mrs. Schmeelke, chose for her daughter's wedding a dress of navy blue sheer. She wore a corsage of red carnations. The groom's mother wore a dress of brown crepe.

The bride's table was centred with a four tiered wedding cake. Rev. Ulmer proposed the toast to the bride.

For travelling the bride wore a blue suit with matching accessories. After a short honeymoon Mr. and Mrs. Leonhardt will reside on the groom's farm at Drumbeller.

"V"

## ALDER-CARLSON

A quiet wedding took place in the manse of Westmont Baptist church, Calgary on October 31, when Lilly Carlson, daughter of Mr. and Mrs. O. J. Carlson, of Neptune, Sask. became the bride of Kenneth Alder, younger son of Fred Alder, of Penticton, B. C. and the late Mrs. Alder.

Rev. M. Hall performed the ceremony.

Mrs. C. Brubjell acted as bridesmaid and Bruce Alder attended his brother as best man.

For her marriage the bride chose an afternoon dress of rose with navy accessories. The bridesmaid wore blue with matching accessories.

Following the wedding a supper was held in the banquet room of the Empress Grill.

Later the young couple left for a short honeymoon at Banff.

Mrs. Clark Rhodes	1.00
Mrs. M. G. Clever	1.00
Fred Claver	50
Mrs. A. Diemert	50
J. A. Mark	50
Isabel Clarke	25
Previously acknowledged	89.45

Total to date 104.20

"V"

## LETTERS FROM THE BOYS IN UNIFORM

Dear Sir:

I hope you will excuse my tardiness in sending you my address, but getting settled in army life seems to be a full week's job, and letter writing as a consequence suffers. As I am now settled and an hour or two on my hands, a person's mind begins to wonder how the folks back home are getting along, which reminded me I hadn't received the Chronicle. Your paper is very much appreciated and is as good as a letter from home.

So if you have the spare copy, it will be very much appreciated by yours truly and keep up the good work as I know the boys really appreciate it.

Thanks also for sending it to me while in Medicine Hat as I enjoyed it very much.

Yours truly,  
Philip Fath.

### Editorials

#### OVER THE TOP AGAIN!

The people of the Champion and Carman-gay districts can take pardonable pride in their achievement in putting the Victory Loan over the top.

The quota of \$49,000 was not an easy one to meet in view of the late harvest and the extremely small quota which did not give the average farmer enough money to pay the cost of his harvest. The fact that there were well over two hundred and eighty-two individual subscribers illustrates how many people have sacrificed something to make sure that they are part of the tremendous struggle necessary to win this war. Hats off to the people of the district and to those all over Canada who also did their share so magnificently. The person who did not subscribe to this loan and

who has no rightful reason for not doing so must certainly feel he is riding on the shoulders of much better men than he.

#### PROPOSED BUS CURTAILMENT

The Calgary Herald is very emphatically crusading for the continuance of the "bus" transportation system in Canada which has recently been on the books for severe curtailment due to wartime necessity to conserve rubber and manpower. We hasten to join this crusade in our own small way.

The Chronicle has always backed every move the government has made to win this war with everything in the power of a small country paper. In this instance, however, we believe the government to be in error as to the advisability of the proposed curtailment.

The prime necessity to conserve to the utmost all rubber supplies is apparent. But the necessity that this transportation system be wrecked for that reason is not. The bus lines have become during the past twenty years an integral part of our economic system. For more reasons than one we can not lay it up for the "duration" like a private car. In the first place we believe that the bus systems have a part to play in the war effort by relieving the congestion of the rail carriers and in serving communities not served by these

## TWO YOUNG MEN

*with faith in themselves*

BEFORE the war, two young graduates in chemistry faced the future with no assets but technical training and unbounded faith in themselves. They planned to capitalize on their years in college by manufacturing a certain chemical product. "But we'll need some money to get started," they said. "Let's put it up to the bank."

Their banker decided that their faith was well founded in character, ability, energy. "We'll finance you to start in a small way," he said. "Make a test on the local market first."

Presently the product was being sold all over Canada and exported to the United States and overseas. Now it fills a wartime demand. The enterprise employs a large number of people.

This actual example illustrates how this country's Chartered Banks help credit-worthy people to benefit themselves, their fellows and their country under the democratic system of free enterprise.

Banks, like any other business, exist because they provide service which a community needs and is willing to pay for at a rate which will yield a reasonable profit. Chartered Bank profits average less than one-half of one per cent a year on total assets. Few, if any, other businesses operate on as small a margin.

### THE CHARTERED BANKS OF CANADA:

Bank of Montreal . . . The Bank of Nova Scotia . . . The Bank of Toronto  
The Provincial Bank of Canada . . . The Canadian Bank of Commerce  
The Royal Bank of Canada . . . The Dominion Bank . . . Banque Canadienne  
Nationale . . . Imperial Bank of Canada . . . Barclays Bank (Canada)

## A Veteran at 20!

Back from scores of bombing raids over a dozen countries, this young airman has found adventure in the skies! Just out of his 'teens, an eager youth in years, he's a veteran in experience. He's a first-line fighting man, trained in the science of war at 5-miles-a-minute!

He and his buddies in R.C.A.F. air crew are team-mates. Gunner, Wireless Operator, Bomber, Pilot, Navigator—all work together as a smooth, swift "attack team" in a giant bomber. Their targets accurately surveyed in advance by daring reconnaissance pilots—their flight protected by the blazing guns of fighter planes—the bombers wing their relentless way to smash Nazi nerve-centres.

The expanded Air Training Plan has room for more men who want to be with these fighting comrades of the skies. Right now applications are being accepted for air crew duty, at R.C.A.F. Recruiting Centres throughout Canada.

If you are physically fit, mentally alert, over 17½ and not yet 33, you are eligible. If you are over 33, but have exceptional qualifications, you may still be considered. Lack of formal education is no longer a bar to enlistment.

**WOMEN TOO—**  
Join "that men may fly." Canadian women fill vital jobs in the R.C.A.F. Women's Division, releasing men for air crew duties. Recruits are needed, age 18 to 40, physically fit, with at least High School entrance. Many useful and fascinating jobs await you. No experience needed. The Air Force will train you quickly to take your place with Canada's airwomen. Full information at any R.C.A.F. Recruiting Centre, or write address below for booklet.

## ROYAL CANADIAN AIR FORCE

FIGHTING COMRADES OF THE SKIES

For illustrated booklet giving full information write: Director of Manning, R.C.A.F., Jackson Building, Ottawa, or the nearest of these R.C.A.F. Recruiting Centres: Vancouver, Calgary, Edmonton, Saskatoon, Regina, Winnipeg, North Bay, Windsor, London, Hamilton, Toronto, Ottawa, Montreal, Quebec, Moncton, Halifax

rail carriers. We also believe that greater use of the bus lines could be made in the war effort to economically transport personnel and equipment which in some instances are carried in smaller cars or trucks. The other side of the picture is that we have been led to believe by repeated statements of those who are in a position of authority that by next summer there will be sufficient synthetic rubber production to assure tires for all essential vehicles. We earnestly believe the bus lines should be classed as essential vehicles, and that the government should reconsider its decision to curtail these services except in cases where such services are not economically necessary.

—“V”—

#### PROHIBITION AGAIN?

Over Canada and the United States there is the beginnings of a movement to once more put these nations under the law of prohibition of alcoholic beverages. It is to be hoped that the sanity of the people will not allow this movement to get beyond the larva stage.

Prohibition never was and never will be the answer to the problem of what to do about

those of our citizens who use more alcohol than is good for them. Prohibition is an attempt to correct one wrong by committing another.

During and after the last war prohibition had its day. And it was a very black one. We would certainly not like to see the experiment repeated. One has only to think back to those days or to glance through the papers of that era to recall the horrors and calamities of the bootlegger and the speak-easy joints which will always be a part and parcel of prohibition.

We do not mind how much "temperance" is preached for temperance is a good thing. But we would very heartily take up cudgels against those who would once again foist upon us the debacle of prohibition.

ACTUAL tests have proved that dust, dirt, insects and grime accumulating on lamps, shades and reflectors, will often reduce the light from your lamps by 25% to 50%. All these light-stealing accumulations can be removed easily and quickly with warm water and a bit of soap.

Put the light you are now losing, yet paying for, back on the job making seeing easier, making your home brighter, making reading, studying and housework easier and quicker.

It won't add a single cent to your electricity bill, but it will add much to the pleasure of living and the enjoyment of your home.

*Keep your eyes in working order. Provide them with adequate light for easy effortless seeing.....*

**CALGARY POWER COMPANY LIMITED**

Local Manager, D. Buehler, Vulcan

### Follow This

#### 5-Point Plan

For More Light Without Paying More For It.

- 1 Remove all bulbs and wash them in plenty of warm water and soap. A wipe with a damp cloth is NOT enough.
- 2 Wash all reflectors and washable shades with warm water and soap. Here again, wiping with a damp cloth will not do a good job.
- 3 Make sure you have the proper sizes of bulbs in every fixture.
- 4 Rearrange your furniture or lamps so that the most used seats have the best light available.
- 5 Have a regular systematic cleaning schedule and follow it consistently. For maximum lighting efficiency all lamps, reflectors and shades should be cleaned at least once a month.

DR. JAMES S. THOMSON  
General Manager of the Canadian Broadcasting Corporation

Dr. James S. Thomson assumed the general management of the Canadian Broadcasting Corporation on November 2, succeeding Mr. W. E. Gladstone Murray, who has moved to Toronto as director-general of broadcasting for the CBC.

Dr. Thomson, who has been President of the University of Saskatchewan since 1937, made the following statement in connection with his new work:

"The national radio system, more than any other public institution is the voice of Canada. The function of the Canadian Broadcasting Corporation is to make that

voice sincere, authentic and worthy. In co-operation with the local stations we must endeavor to let the Canadian tongue find utterance in both our languages, and yet with a local accent.

"We have to interpret the spirit of our people in all its variety of mood and aspiration. There must be fun and laughter for the leisure hour, as well as serious talk to rally our hearts in the midst of a tremendous ordeal. There must be music that touches the soul with the noblest strains, and laughter melodies for the dancing foot of youth.

"In lonely homes out on the prairies and in the great northland, people are hungry for news, and they regard radio as a vital contact with the life of the world. In wartime especially, one of the most important responsibilities assumed by radio is the rapid dissemination of news from reliable sources, and also its discussion and interpretation.

"All who are concerned with its management and direction carry the gravest of responsibilities. We must cultivate sensitive and understanding minds, and sustain the highest ideals in this latest and most potent instrument of human intercourse."

James Sutherland Thomson was born April 30, 1892, at Stirling, Scotland. He was educated at the University of Glasgow and Trinity College, Glasgow, and was graduated in 1914, M. A., with first-class honors in philosophy, having been

prizeman in economics, political science, logic and philosophy. When he was graduated he was Clark Fellow in philosophy for four years. In 1920 he was graduated in the theology from Trinity College with honors.

He served in the Great War of 1914-1918 in the ranks of the Queen's Own Cameron Highlanders and as commissioned officer in the Rifle Brigade, and returned with the rank of captain. He now holds the rank of honorary lieutenant-colonel in the Canadian Officers' Training Corps.

He was ordained in 1920 and in 1924, as Secretary for Youth and Education to the Church of Scotland, he lectured in Canada, the United States, several European countries and the Near East. He was invited to Canada in 1930, and for seven years was a professor at Pine Hill College in Halifax. In 1936 he was given the degree of Doctor of Divinity by Victoria University, Toronto, and the following year was elected President of the University of Saskatchewan. This year Dr. Thomson was elected a Fellow of the Royal Society of Canada and is Chancellor's Lecturer at Queen's University, Kingston.

## South McGregor Lake News and Locals

by Archie Ruggles

We noticed several long faces last week when the news that McGregor lake was being set aside for a practice field by the R. C. A. F., became generally known, and they realized that they would have to forego one of their favorite dishes, namely fish. Winter fishing has been carried on quite extensively the last few winters and has furnished a very welcome change of menu for many miles around.

V-V-V

Miss Gladys Edenloff left us last week for Camrose where she will resume her studies in the Lutheran Bible School of Camrose. Gladys has been staying with her brothers, Henry and Martin, whose farm borders on Lake McGregor, and we are of the opinion that her departure may have been hastened by the remark, carelessly dropped by a neighbor, that there are a lot of poor shots in the R. C. A. F. Martin says he is not going to wait to see how well the boys can shoot, but believes he will spend most of the winter in Champion as he doesn't care for a ring side seat.

V-V-V

After spending 10 days last summer and a couple of days last week in the Carmangay hospital we would like to go on record as a very satisfied patient and very much alive to the high quality of the staff who seem to anticipate ones every need which is readily met if it is good for you, as for whims they are very good at talking one out of them. We have heard some people say that the hospital is the last place they want to go when they are sick, such people usually put off going there until they have had their way and the hospital is the last place they go that they know anything about.

V-V-V

Mr. and Mrs. Elmo Brandvold are being congratulated over the arrival of a baby boy. Grandpa and Grandma Hegland seem very pleased over the happy event.

V-V-V

Jack Steeves spent three days this week in Hanna at a meeting of the representatives of the Special Area Board.

V-V-V

Bud Marshman goes to Lethbridge this week where he joins the army, he was around Sunday bidding his friends good-by.

V-V-V

We had a letter from one of the boys in the armed forces the other day and he says as a reporter we would run a close second to Walter Winchel, so if you find us snooping into your family affairs you will know that we are only trying to gain yardage on Winchel.

## FARMERS AND FARM WORKERS

Canada Needs Your Off-Season Services

In the Bush  
In the Saw mills  
In the Base Metal Mines  
In the Coal Mines

When not needed on the farm, you are needed in these essential industries.

Lack of lumber, and pulp and other forest products, lack of base metals, lack of coal, lack of essential war supplies can cripple our war effort.

You will not lose your special right to apply for postponement of military service by accepting such work. You can retain your status as a farmer.

For other particulars see booklet entitled "A Message to Farmers" or apply either at your nearest Employment and Selective Service office or at your nearest post office.

Help Canada Produce and Help Win the War

## Department of Labour National War Labour Board GENERAL ORDER

The Dominion Bureau of Statistics has found that the cost of living index number for October 1, 1942, is 117.8 (adjusted index 116.9) as compared with the cost of living index number for July 2, 1942, of 117.9 (adjusted index 117).

The Wartime Wages Control Order, P. C. 5963, provides in Section 48 (iv):

"the amount of the bonus shall not be changed unless the cost of living index number has changed one whole point or more since the last general order of the Board requiring an increase or decrease in the amount thereof."

The index number not having changed by one whole point or more since July 2, 1942, pursuant to the provisions of P. C. 5963 as stated, the National War Labour Board orders that the terms of its General Order dated August 4, 1942, shall continue to apply for the period November 15, 1942, to February 15, 1943, subject to the right of employers or employees to apply to a War Labour Board for authorization of payment of such an amount of cost of living bonus as a Board may determine to be "fair and reasonable," under the provisions of the Order.

HUMPHREY MITCHELL
